

CHORLEYWOOD HEALTH CENTRE

Patient Participation Group

Why not come and join our Patient Participation Group? We meet at regular intervals to review and consider ways of making a positive contribution to the services and facilities offered by Chorleywood Health Centre to patients

THE PURPOSE OF PATIENT PARTICIPATION GROUP (PPG)

- To give Practice staff and patients the opportunity to discuss topics and issues of mutual interest in their Practice.
- To provide the means for patients to make positive suggestions to improve services and facilities
- To encourage health education activities within the Practice.
- To develop self-help projects to meet the needs of fellow patients.
- To act as a representative group that can be called upon to influence the local provision of health and social care.
- To involve further patients from the wider population.

POSITIVE OUTCOMES OF PPGs

Improving services provided by the Health Centre

- Carrying out surveys into a variety of subjects e.g. health needs/expectations and major cause of ill-health in a particular area.
- To explore the changing needs of patients.
- Measure patient satisfaction.
- Gather ideas for improvements or modifications needed for the delivery of services.
- Discussions at meetings.

If you would like to join the Practice Patient Group, please complete the details below and then leave the form with a member of staff. We would like to get people from all ages, male and female, different ethnic backgrounds, medical conditions and needs so the different points of view can be taken into account.
